

South Campus

The tobacco free zone encompasses all Syracuse University property.

This map defines the tobacco-free areas on the South Campus of Syracuse University.

Traveling south on Comstock Ave, on the left-hand side of the street (across from Oakwood-Morningside Cemetery), Comstock Art Facility and the parking area that services the facility will be tobacco and smoke-free as of July 1, 2015.

At the traffic light at the corner of Comstock Avenue and East Colvin Street, make a left and the following SU property on the left hand side of East Colvin Street will be tobacco and smoke free as of July 1, 2015: Carmelo Anthony Basketball Center, Lampe Athletics Complex, Manley Field House, J. Stanley Coyne Stadium, the Soccer Stadium as well as all parking areas that surround and service the aforementioned facilities.

Continuing to travel on East Colvin Street, making a right onto Skytop Road, the map shows all South Campus Housing as tobacco and smoke-free. In addition, Goldstein Student Center, Tennity Ice Skating Pavilion, Tennis Courts, Softball Field, Skytop Office Building as well as all roads and streets running through South Campus. The Outdoor Education Center located at 600 Skytop Road is also tobacco and smoke-free as of July 1, 2015.

The outdoor area on Syracuse University South Campus impacted by the tobacco and smoke-free policy extends from Skytop Road to Jamesville Road (not including Jamesville Road) and then again includes the South Campus Library Facility and Hawkins Building and their respective parking areas and grounds.

The policy also includes 1320 and 1330 Jamesville Avenue, Physical Plant and the Commissary between Jamesville Avenue and Ainsley Drive, both indoors and outdoors including parking areas for these respective facilities.

The Hookway Tract, (which is also part of South Campus), off of East Colvin Street past the Soccer Stadium on the left hand side, is also tobacco and smoke-free as of July 1, 2015.
