

STAY HEALTHY *and* GET VACCINATED*

SEPT. 1-DEC. 31, 2017

Coverage Method

To provide members with even greater flexibility of choice, use your OptumRx member ID card at a participating pharmacy to receive covered vaccines.

Vaccines Currently Provided through Pharmacies in New York State**

Flu, pneumonia, TDP, meningococcal, and shingles vaccines are eligible for individuals **over the age of 18.**

For Vaccines Not Covered through a Pharmacy

You and your eligible dependents may continue to obtain covered vaccines through your doctors' office using your POMCO ID card.

*Contact the Human Resources Service Center for further details

**Contact your local pharmacy to determine your state's coverage options.

BEGINNING JAN. 1, 2018

Coverage Method

To provide members with even greater flexibility of choice, in addition to coverage through OptumRx, you may also use your Excellus BlueCross BlueShield at a participating pharmacy to receive covered vaccines.
